REPRESENTATIVE TO EXETER AREA VISITING NURSE

Rev. Thomas E. Thies

Warrant For Town Meeting

To the inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

Your are hereby notified to meet at the Fremont Town Hall in said Fremont on Tuesday the eighth day of March next at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

2. On Petition of eleven (11) legal voters:

To see if the Town will raise and appropriate the sum of \$1,214.00 (One thousand two hundred fourteen dollars) to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program Inc., a private non-profit, anti-poverty agency. This amount represents 1.5% of \$48,591.00 (Forty eight thousand five hundred ninety one dollars). The value of services rendered to Fremont residents from September 1, 1981 through August 31st 1982. *(Not recommended by Budget Committee.)*

3. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in the amounts indicated herewith; and further to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

Library Capital Reserve Fund (Article 3, 1982)	\$3,000.00
--	------------

4. To see if the Town will vote to appropriate the sum of \$19,825.00 (Nineteen thousand eight hundred twenty-five dollars) and authorize the Selectmen to withdraw from Current Surplus and use said sum as setoffs for the following items:

General Government Buildings	\$10,000.00
Town Officers Expenses	3,750.00
Riverside Drive Roads Survey	2,500.00
Election & Registration	250.00
Street Lighting	2,500.00
Office Machine	825.00
	<hr/>
	\$19,825.00

5. To see if the Town will vote to appropriate the sum of \$850.00 (Eight hundred fifty dollars) for the purchase of a typewriter for the Town Offices. Said sum to be setoff against Current Surplus. (Office Machine)

6. To see if the Town will raise and appropriate the sum of \$4,190.80 (Four thousand one hundred ninety dollars and eighty cents) for the Sealing and Reconstruction of Roads. *(Not recommended by the Budget Committee.)*

7. To see if the Town will raise, appropriate and allocate the additional Highway Subsidy Funds which may become available under the provisions of RSA 241:15 as amended for the year 1983. Said Funds believed to be in the amount of \$4,240.20 (Four thousand two hundred forty dollars and twenty cents) and to be used for the Construction or Reconstruction of Class IV and V Highways.

8. To see if the Town will Vote to raise an appropriate the sum of \$2,900.00 (Two thousand nine hundred dollars) for the maintenance and programs of the Parks and Recreation Commission.

9. To see if the Town will vote to establish as authorized by RSA 31:44 through RSA 31:50 inclusive a Fremont Parks and Recreation Commission. Further to be authorized to exercise the powers contained therein.

10. To hear the report of the Budget Committee and take such action as the Town deems necessary.

11. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

12. By Petition of 11 Legal Voters:

Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married, a combined net income of less than \$12,000 and own net assets of \$30,000 or less, excluding the value of the person's residence. *(Must be voted on by ballot.)*

13. To see if the Town will vote to go on Record in support of immediate actions by Federal Government to control and reduce acid rain which is harmful to the environment and economy of Fremont, and to the health and welfare of the people of Fremont. These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur di-

oxide emissions, by the year 1990.

2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to the same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

14. To see if the Town will vote to open Ridge Road for a distance of 900 feet (Nine hundred feet). This portion of road now being closed subject to Gates and Bars beginning at the now Steele property on the North end and running Southerly for said 900 (nine hundred) feet to the property line of Gary Morrisette Et-al Tax Lot 4-1.

15. To see if the Town will vote to sell by Quit Claim Deed a certain parcel of land owned by the Town and identified on the Tax Map as Parcel 3-205 containing 2 (two) acres more or less to Jesse & Meredith Bolduc being abutters of said property for the sum of \$1,000.00 (One thousand dollars). Further that a perimeter survey be performed at the expense of the buyer to establish exact bounds and acreage before passing Deed.

16. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deeds at Public Auction.

17. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

18. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year in accordance with procedures set forth in RSA 31:05b.

19. To transact any other business that may legally come before this meeting.

NOTE: In accordance with RSA 39:2A adopted at the March Town Meeting of 1972, the first session of the Town Meeting for the choice of Town Officers for the ensuing year will open on March 8, 1983 at 10:00 o'clock in the forenoon and will remain open until 7:00 in the evening. The second session for the consideration of the remainder of the warrant articles will be held at the Fremont Town Hall on Wednesday, March 9, 1983 at 7:00 o'clock in the evening.

Given under our hands and seal this 17th day of February in the year of our Lord Nineteen Hundred and Eighty three.

George H. Baker, Jr.

Allan R. Rislove

Minutes of Town Meeting

Second Session

Meeting opened at 7:10 p.m. by the Moderator Stuart Langton.

Announcements made at this time by the Moderator.

1. The Recreation Commission passed out surveys and have requested they be filled out and left in the seats at the end of the meeting for them to collect.
2. Results of yesterdays election were read.
3. Rules of the meeting explained.

Article I. To choose all necessary Town Officers for the ensuing year.

(Acted upon March 9, 1982 by ballot.)

Article II: Upon application of 14 legal voters: We, the undersigned voters, petition the Town of Fremont to appropriate the sum of \$1,099.00 (One thousand ninety-nine dollars) to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program, Inc., a private, non-profit, anti-poverty agency. This amount represents 2.5% of \$43,949.00 (forty-three thousand, nine hundred forty-nine dollars), the value of services rendered to Fremont residents from September 1, 1980 through August 31, 1981. (*Not recommended by Budget Committee.*)

George Baker moved the article.

Allan Rislove seconded the motion.

Discussion followed:

Mr. Boden asked if Amy Mueller Campbell, a non-resident, could speak on behalf of the Raymond Community Action program which she is affiliated with. The Moderator asked for a motion for her to be allowed to speak. It was moved by George Baker and seconded by Mr. Horsburgh.

Passed by Voice Vote.

Amy Mueller Campbell then explained the program and services and answered questions from the floor. After much debate George Bassett called for the question.

Robert Rydeen seconded the motion.

Passed by Voice Vote.

The Moderator presented petition of 7 voters: We, the undersigned registered voters, request a ballot vote to be taken on Article 2 (CAP).

Meredith Bolduc

Matthew E. Thomas

Jesse Bolduc

Florence Seitz

Rose Boden

Lila H. Bonis

Susan Boden

Rose Boden moved the motion for paper ballot.

Susan Boden seconded the motion.

Passed by Voice Vote.

The Voting then proceeded.

RESULTS: 49 YES 48 NO

Article PASSED.

Article III: To see if the Town will vote to authorize the Selectmen to withdraw the \$3,000.00 now being held as an unexpended balance for moving the Old Library (Art. 6, 1979): and further to authorize the Selectmen through the Trustees of the Trust Funds to designate and establish a remodeling, or addition to the Fremont Public Library.

Article read and moved by Allan Rislove.

Seconded by George Baker.

Discussion.

Mrs. Richardson called for the question.

Carlene Bolduc seconded the motion.

Passed by Voice Vote.

Article read and voted upon.

PASSED by Voice Vote.

Article IV: To see if the Town will vote to authorize the Selectmen to withdraw from the Capital Reserve Fund established for the reconstruction of the Sandown Road Bridge (Art. 3, 1980) the amount of \$5,000.00 to be used by the Road Agent for the repair of guard rails and curbing on said Bridge as recommended by the State Highway Department Bridge Division report of 1981.

Article read and moved by George Baker.

Seconded by Allan Rislove.

Discussion.

Amendment proposed by George Baker to add the words "and Construction."

Seconded by Elizabeth Stanley.

Vote on amendment Passed by Voice Vote.

Discussion.

Raymond Bernier called for the question.

Motion seconded from the floor.

Passed by Voice Vote.

Article with amendment read: To see if the Town will vote to authorize the Selectmen to withdraw from the Capital Reserve Fund established for the reconstruction of the Sandown Road Bridge (Art. 3, 1980) the amount of \$5,000.00 to be used by the Road Agent for the repair and construction of guard rails and curbing on said Bridge as recommended by the State Highway Department Bridge Division report of 1981.
PASSED by Voice Vote.

Article V: To see if the Town will raise and appropriate the sum of \$2,226.64 for use by the Road Agent to seal Town Road.

Article read and moved by Allan Rislove.

Seconded by George Baker.

Charles Bolduc proposed an Amendment: "and reconstruct".

Seconded from the floor.

Discussion.

Raymond Bernier called for the question.

Seconded from the floor.

Passed by Voice Vote.

The article with amendment read: To see if the Town will raise and appropriate the sum of \$2,226.64 for use by the Road Agent to seal and reconstruct Town Roads.

PASSED by Voice Vote.

Article VI: To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations for the following specific purposes and in the amounts indicated herewith; and further to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

Appropriation:

Riverside Drive Area Fire Substation	\$ 5,000.00
1 Craig Snow Plow	3,000.00
Library	3,000.00
Conservation Commission	225.00
Parks and Recreation Committee	300.00
Southeastern Regional Planning Commission	805.20
	<hr/>
	\$12,330.20

Article read and moved by George Baker.

Seconded by Allan Rislove.

Discussion.

Robert Horsburgh called for the question and it was seconded.

Passed by Voice Vote.

Carmen Ragonese asked for a point of order.

Robert Horsburgh withdrew his motion and it was seconded.

Passed by Voice Vote.

Discussion followed and Mr. Ragonese spoke.

Let it be known that the Selectmen explained that this is not a specific commitment to construct a fire sub-station at this time and in that location.

(Meaning Riverside Drive Area)
Article PASSED by Voice Vote.

Article VII: To authorize the Selectmen to establish a Capital R Reserve Fund through the Trustees of the Trust Funds in the amount of \$5,000.00 for the purpose of constructing a Fire Dept. Substation in the Riverside Drive area as appropriated under Article 6, 1982.

Article read and moved by Allan Rislove.

Seconded by George Baker.

Discussion.

Mr. Moore proposed the following amendment “delete Riverside Drive Area”.

Motion seconded from the floor.

Discussion on amendment and its legality. Mr. Waddell, Trustee of Trust Fund stated that a Capital Reserve Fund could not be set up without the words Riverside Drive Are...confirmed by George Basset, Trustee.

Robert Wines called for the question.

Seconded from the floor.

Passed by Voice Vote.

Vote on Amendment followed:

Voice Vote . . . Defeated Amendment.

Original Article than read and PASSED by Voice Vote.

Article VIII: To authorize the Selectmen to deposit the amount of \$3,000.00 from Revenue Sharing Funds authorized under Article 6, 1982. into the Capital Reserve Fund established under Article 3, 1982.

Article moved by Allan Rislove.

Seconded by George Baker.

PASSED by Voice Vote.

Article IX: To authorize the Selectmen to purchase 1 (one) Craig Snow Plow for \$3,000.00 to be used by the Road Agent and to use Revenue Sharing Funds in the amount of \$3,000.00 as appropriated under Article 6, 1982.

Article moved by George Baker.

Seconded by Allan Rislove.

PASSED by Voice Vote.

Article X: To see if the Town will vote to appropriate and withdraw from the current surplus the sum of \$18,164.00 to be used as setoff against the following items:

General Government Buildings	\$10,650.00

Auditor's Report

I have examined the accounts of the following Town Officers: Town Clerk, Tax Collector, Treasurer, Selectmen and Trustees of Trust Funds of the Town of Fremont, New Hampshire for the calendar year ending December 31, 1982.

All vouchers were accounted for and all accounts were found complete.

Mary A. Anderson
Auditor

Selectmen's Report

Planning and Zoning in our Community cannot be over-stressed if we are to have orderly growth within the capabilities of the Town to supply the essential services that go hand and hand with growth.

Many long hours have gone into developing Zoning and Sub-division regulations as well as the development of a Comprehensive Community Plan to be used as a back-up and directional aids to present and future growth of the Town. Uncontrolled growth for a small town such as ours can have a detrimental effect for the Taxpayer for obvious reasons such as, as the Town grows so must grow schools, Fire and Police protection, highway maintenance and building, health needs and general government. These all cost money. As the need for money goes up the tax rate goes up and up. Soon the property owner, especially the large land owner, loses his ability to pay high taxes and must sell to reduce the burden. Generally the only persons around to buy large tracts are the Developers and so it goes - more growth.

Our growth control ordinance has been challenged through the Courts along with our Comprehensive Community Plan by a Developer.

Thus far a Master of the Rockingham Superior Court has ruled against the Town. The Town does not agree with his decision and we have instructed the Town Counsel to proceed with action to the New Hampshire Supreme Court. The case should be heard within the year. If the Supreme Court upholds the Superior Court decision, not only this Town, but many other small and large Towns in the State with similar growth control ordinances could be severely hurt. In the mean time the Planning Board is working to cover any eventuality. We cannot know what specific direction to go until we have the decision of the Courts.

Please take the time to attend both the School District meeting at the Ellis School and the Town Meeting at the Town Hall this year. At these meetings you vote on the respective Budgets that will have an effect on the taxes you pay. Take the time to question if you will and demand accountability for your tax dollars spent.

Respectfully submitted,
George H. Baker, Jr.
Allan R. Rislove
Selectmen of Fremont, NH

Highway Department Report

This year has been an open winter up to January and February. We have had two big snow storms dumped on us, with more to come. The snowbanks are getting pretty high and they must be pushed back. By doing this, many driveways get plowed in by the snow plows. I'm very sorry about this problem, but the banks have to be pushed back for the next snow storm. Another problem that arises, is cars being parked on the roads. This makes it very difficult for the plows, with the wings on to get around the cars. I would appreciate it that if you hear a snow storm is coming, please keep your cars out of the way of the plows.

I have again asked for \$5,000.00 to be used for Sealing and Reconstructing Roads. This has been a Warrant Article for several years now. This money, I feel, is the most important money of my whole budget. This sealing money last year sealed all of Red Brook Road, Abbot Road Hill, part of Rowe Drive and part of North Road. With this money this year, I plan to finish North Road and part of Beede Road. Work has been done on Chester Road and will be finished this year.

If any problems arise, please feel free to contact me. I would like to take this time to thank all the men who have worked with me this year. I feel, they have done their share of work. Thanks for being so dependable, I appreciate it.

Respectfully,
Charles N. Bolduc
Road Agent

Fire Department Report

To The People of Fremont:

I wish to thank you for the tremendous job you did as far as woods and grass fires are concerned. There was not one reportable fire as far as grass, brush or woods in the 1982 fiscal year, although a few of you did some burning **without** first getting the required permit. REMEMBER, permits are required for ALL outside fires when the ground is NOT covered by snow. These permits can only be issued for burning BEFORE 9:00 a.m. and AFTER 6:00 p.m. (weather permitting) by and one of the Fire Wardens listed in the front of this Town Report.

I am very concerned about the Forest and Brush fire season next year as all the forest fire look-out towers operated by the State have been closed for the year 1983 due to fiscal problems. We will have aircraft patrols on high fire risk days, but the plane will only be in our area about once every two hours. A fire on a windy day can go a long way in that length of time. Last year when the plan was used it reported less than 2% of all reported fires? The rest being reported by the Towers and citizens that observed them. Several of the area fire departments are attempting to operate the

Rockrimmon Tower in Kingston on a volunteer basis with just a little money raised for telephone, electricity and insurance.

Again the Fire Department took another financial kick from the Budget Committee, while other Departments go up we keep going down. At this rate we will be digging into our own pockets to keep the Fire Department going. Is safety the place to keep cutting? Don't forget, we are the only Department in Fremont that is unpaid. These Budget cuts sure do a job on department moral. I can't understand after the Officers of the Fire Department sit down and work out a budget and then a Budget Committee re-works it and tells us what we need and what we don't need!

The building of the new Rest Home in Town will be a challenge to the Department as well as to myself. We will have to devise and drill a patient evacuation and also develop a Mutual Aid plan to cope with any problems that could arise at the home, which I hope we never have to use. I would like to thank Russell and Karen Philbrick for their cooperation in keeping the Department posted in any changes and making a set of plans available to the Department to work with.

I would also like to thank Chuck Bolduc for letting the Fire Department park two fire trucks in the town highway shed during the winter months as there is not room in the station when the 500 gallon Tanker goes inside during the cold weather. I hope this situation will be corrected in the not to distant future as we are putting money away in a Capital Reserve Fund for a sub-station in the not to distant future.

Last but not least I wish to thank the men of the Fire Department who give so freely of their time and effort. I also wish to thank the Fremont Flames and the Fremont Firemen's Association for the money items they have purchased for the Fire Department to make our jobs easier and safer.

Respectfully,
Richard C. Heselton
Fire Chief

Report of Town Forest Fire Wardens and State Forest Ranger

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advise at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 Statistics

	State	District	City/Town
No. of Fires	391	41	
No. of Acres	161 $\frac{3}{4}$	30 $\frac{1}{2}$	

Police Department Report 1982

I would like to report the annual account of the Fremont Police Department for the year of 1982. The following is a breakdown of the types of complaints and frequencies encountered.

Alarms	18
Arrest	11
Assault	5
Assist to other Police Dept.	25
Assist to motorist	13
Assist to Fire Dept.	11
Attempted Suicide	3
B & E (Breaks)	6
Bad Checks	5
Dog Complaints	71
Domestic	23

Traffic Accidents	42
Juvenile Disorderly Conduct	13
Medical Assist	9
Stolen Vehicle Recovered	2
Vandalism	15
Suspicious Vehicles	24
Suspicious Persons	13
Vacation Watch	23
Juvenile Court	17
Summon's Issued	(98 convictions) 99
All other complaints	384
	<hr/> 832

The seven members of the Police Department have been very active this past year. With today's economy in the State that it is in coupled with a 20% increase in activities, the department was able to operate within its budget limitations.

The Police Department was successful in recovering thousands of dollars worth of stolen property, and apprehended subjects in the acts of committing crimes. All Police Officers are certified, well qualified and have served this Town well.

I would like to take this opportunity to thank the residents of Fremont for their assistance and cooperation this past year. A special thanks to my entire staff of Police Officers for a job well done.

Respectfully submitted,
Richard P. Johnson
Police Chief

Conservation Commission Report

In June, the Commission presented for interested citizens a program on acid rain. This included a talk, with slides, by a representative of the Citizens' Task Force on Acid Rain, a demonstration of precipitation sampling, and an exhibit of posters and charts made by students at the Ellis School.

The Commission's activities included investigation of dredge and fill permit applications and potential violations. During the past year, the so-called "Oak Ridge Conservation Lands" on Ridge Road were acquired by the town and, in conformity with Town Meeting action, came under the jurisdiction of the Conservation Commission for administration and maintenance.

Following the resignation of its chairman, John Ragonese, in November, the Commission reorganized, electing Artemas P. Richardson chairman and Elmer Schramm secretary for the remainder of the year.

Sincerely,
Artemas P. Richardson
Chairman

Report of the Library Trustees

Operating expenses for the Fremont Library for the year 1982 were: Fuel oil, \$182.85; Electricity, \$77.27; Books, \$818.39; Librarian's salary, \$1,286.40.

The Library building was improved this year by having the roof re-shingled, thanks to the interest of the selectmen.

Elaine McGall
John L. Gieroch
Lucy G. Schramm
Library Trustees

Exeter Area Visiting Nurse Association, Inc.

1982 was a year of accomplishment for the EAVNA in spite of state and federal cuts.

Home Care. Two new services have been added to the Home Care Program; speech and occupational therapy. Persons confined to their homes are now able to receive these therapies at a more effective time rather than having to wait until they are well enough to leave their homes. The home health aide staff has been increased to meet the demands for assistance with personal care while the nursing staff has responded to a need for support and treatment to persons requiring more skilled care at home than before. This is possible through continuing education to ensure competency to meet these needs. The Agency continues to provide physical therapy to a large number of persons in the service area.

Maternal and Child Health. The enrollment in this program continues to increase as the economy declines, providing home visits and clinic services to families with preschool children.

Adult Health Service. In addition to high blood pressure and blood glucose screenings, flu vaccine immunizations and tuberculosis testing, the Agency now has Foot Care Clinics.

The Agency, recognizing the necessity for qualified health personnel provides a clinical setting to students of health care to enhance and expand their knowledge.

12,067 units of service were provided to residents of the service area between January 1, 1982 and December 31, 1982. (Individual town statistics are sent to the selectmen of each town).

Early in the new year, services will be available on a 24 hour, 7 day basis.

The Agency works closely with other health and social agencies to ensure the most comprehensive care possible to the residents of the participating towns. The Agency continues to maintain its Medicare and Medicaid certification and is a member of the Community Health Care Association of New Hampshire and the National Association for Home Care.

The Association relies upon many valuable volunteers who work at the clinics and in the office in addition to regular staff.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 a.m. to 4:00 p.m., 772-2981 or write to 26 Prospect Avenue, Exeter, N.H. 03833.

Mrs. Elizabeth Reynolds

Fremont School Board

School Warrant State of New Hampshire

To the Inhabitants of the School District in the Town of Fremont qualified to vote in District affairs:

You are hereby notified to meet at the Laurence Pettengill Hall - Ellis School in said District on the seventh day of March 1983 at eight o'clock in the evening, to act upon the following subjects:

1. To hear reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.
2. To see if the District will vote to authorize the School Board to apply for, accept and expend money received from any source whether private, state or federal.
3. To see if the District will vote, under the provisions of RSA 198:20-b, to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the 1983-1984 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.
5. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

School District Meeting

March 8, 1982

The School District Meeting for the Town of Fremont opened at 8 p.m. at the Laurence Pettengill Hall, Ellis School on March 8, 1982. Mr. Robert J. Rydeen, Moderator, read the official School District Warrant.

Article I

To hear the reports of agents, auditors, committees of officers chosen and pass any vote relating thereto.

Mrs. Maureen Buhrman, School Board Chairperson moved that the reports of agents, auditors, committees or officers chosen be accepted as printed in the School District Report.

Seconded by Mr. Leonard Bonagura, School Board member. Motion carried by voice vote.

Article II

To see if the District will vote to authorize the School Board to apply for, accept and expend money received from any source whether private, State or Federal.

Mr. Bonagura moved that the District vote to authorize the School Board to apply for, accept and expend money received from any source whether private, State or Federal.

Seconded by Mrs. Buhrman. Motion carried by voice vote.

Article III

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District.

Mrs. Mary Stiner, School Board member moved that the District vote to raise and appropriate the sum of \$619,964 for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District.

Seconded by Mr. Bonagura. Opened for discussion.

Mrs. Ruth Anderson moved that the motion be amended to read: "That the District vote to raise and appropriate the sum of \$603,268 for the support of schools, for the payment of salaries for School District officials and agents, and for the payment of statutory obligations of the District, and that the vote be taken by paper ballot." This motion was accompanied by signatures of 13 registered voters requesting the vote be taken by paper ballot.

Seconded by Hollis Anderson. Discussion followed.

Speaking in favor of the amendment was Selectman George Baker who brought out the fact that 18% of our residents owed \$100,000 of this year's taxes and felt that many citizens could not afford any increase in this budget. Along with numerous others he felt that there were items in this budget which could be cut without stopping the Art, Music and Sports programs. Traditionally the citizens of Fremont have supported the School, but there is a limit to what these taxpayers can afford.

Mr. Bonagura replied that this budget represented only a 2.8% increase as compared to many other neighboring towns with increases as high as 9.5%.

Other citizens, including Robert Norris and Helen Morrison were against this amendment, feeling that Art, Music, and the Sports program would be first cut and thought these programs were a necessary part of a child's education.

Mrs. Anderson stated that she was not against the previously mentioned programs, adding that her own children had all participated in them, but felt there were many items in the budget that could easily be trimmed, citing the \$2800 phone bill, which she and others thought was exorbitant, and also questioning the figures on repairing the flat roof, which from all reports already leaks. She believed this to be a padded budget.

Mr. Bonagura tried to explain the high phone bill by saying that three or four toll calls to different distributors usually resulted in the school purchasing their supplies at considerable savings. He added that if the Board were forced to cut this budget, they would first do away with books, work-books, transportation, some teachers, and force the students to buy their own paper and supplies.

Lengthy discussion followed. The fact was brought to the attention of those present by Mrs. Gertrude Butler that on the copies of the budget that were distributed, Line 2550 Pupil Transportation, was blank. Mr. Robert Moore, a member of the Budget Committee, explained that the figures were just one line above, and the Moderator pointed out the typing error to everyone's satisfaction.

Voting on the amendment by paper ballot according to the Checklist followed. The Moderator announced the results. Yes: 41; No: 70. The amendment was defeated. Mr. Bonagura moved the original article. Seconded by Mr. Wines. Original article approved by voice vote.

Article IV

To transact any other business which may legally come before this meeting.

Mrs. Buhrman moved this meeting be adjourned. Seconded by Charles Buhrman. Meeting adjourned at 9:45 p.m.

Respectfully submitted,
Barbara D. Baker
School District Clerk

Fremont School Board
Fremont School District
Sandown Road
Fremont, New Hampshire 03844

We have examined the combined financial statements of the Fremont School District for the year ended June 30, 1982, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in note 1 (accounting policies), the combined financial statements referred to above do not include the financial statements of the general fixed assets account group. Also, the food service fund, a proprietary fund type does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets is not included in the financial statements. In both cases these statements are required to be included to conform with generally accepted accounting principles.

In addition, food services operation did not maintain adequate receipts in substantiation to bank deposits. Therefore, we limited our testing to reconciling the bank statements.

In our opinion, except that the omission of the financial statements described above results in an incomplete presentation, and the scope limitation imposed on the food service fund, as explained in the preceding paragraphs, the combined financial statements referred to above present fairly the financial position of the Fremont School District at June 30, 1982 and the results of its operations and the changes in financial position of its proprietary fund type for the year then ended, in conformity with generally accepted accounting principles.

Very truly yours,

Giordani & Lortie, Prof. Assn.

FREMONT SCHOOL DISTRICT

Notes to Financial Statements

1. Summary of Significant Accounting Policies:

The accounting policies of the Fremont School District conform to generally accepted accounting principles for local educational governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting:

The accrual basis of accounting is used for all proprietary (food service) and fiduciary (agency) funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- A. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.

B. Prepaid expenses are not normally recorded.

General fixed assets are not capitalized in the accounting records when acquired. Funds used to acquire general fixed assets and/or make debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made. The food service fund has never maintained a record of its fixed assets and related depreciation accounts for measuring their operations. Generally accepted accounting principles require that general fixed assets be capitalized and accounted for in a separate fixed asset group of accounts.

Taxes Collected By Others:

Under state law, the Town of Fremont collects School Districts taxes as part of local property tax assessments. As collection agent, the Town is required to pay over to the School District its share of property tax assessments through periodic payments based on projected cash flow requirements of the District. The Town assumes financial responsibility for all uncollected property taxes.

Interfund-Transactions:

During the course of normal operations, the School District has numerous transactions between funds including expenditures and transfers of resources to provided services. The accompanying governmental, proprietary, and fiduciary funds financial statements reflect such transactions as transfers.

Retirement Plan:

Substantially all full time employees of the District participate in the State of New Hampshire Retirement System. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contributions began. The District contribution rate for normal cost of the plan is based upon an actuarial valuation of the State plan as of June, 1982 and has been set at 1.63% of annual compensation for teachers and 2.76% for other employees. For the fiscal year ended June 30, 1982, the normal cost of the plan to the District was \$2,772. The amount, if any, of the excess vested benefits over pension fund assets for the Fremont School District is not available. At June 30, 1982 the District had no past service cost obligation.

Sick Leave:

The Fremont School District school teachers may accumulate up to 100 days of sick leave. Upon death or retirement of a school teacher any unused sick days will automatically be forfeited. The District does not record the cost of sick leave when earned. An additional retirement bonus based on sick days will be paid to teachers and the school nurse pursuant to RSA-192 to a maximum of \$450 per employee qualifying. No liability exists at this time.

Inventory:

Inventories are stated at the lower of cost or market value.

Purpose of Funds and Account Groups:

The School District reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the School District and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental Funds

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

B. Proprietary Funds

Enterprise Funds - these funds account for operations of entities that provide services or user charge, or other basis to the general public or for food service operations.

C. Fiduciary Funds

Non-expendable Trust Funds - the Town of Fremont's trustees have custody of a trust fund for the School District. Each year the trustees pay over to the School District the income from that trust fund earned during the School's fiscal year.

At June 30, 1982, the balance was as follows:

	<u>Interest</u>	<u>Total</u>
Lilian E. Frost Trust Fund	\$ 671	\$ 671

The principal does not belong to the School District, but the interest does.

D. General Long-term Debt Account Group

This group is used to account for the outstanding principal balance of general obligation note.

4. Changes in Long-term Debt:

Note payable - July 1, 1981	\$ 146,602
Less: note retired	18,600
Note payable - June 30, 1982	<u>\$ 128,002</u>

Note payable at June 30, 1982 is listed as follows:

General Obligation Note:

\$128,002 at 4.39% Ellis School addition note due in annual installments of \$18,600 and a one installment of \$16,402 through December 1988.

General obligation note is a direct obligation of the School District for which its full faith and credit is pledged, and is payable from taxes levied on all taxable property located within District boundaries.

The annual requirement to amortize debt outstanding as of June 30, 1982 including payments of \$19,378 are as follows:

Year ended June 30,	
1983	\$ 23,811
1984	22,994
1985	22,178
1986	21,361
1987	20,545
1988 - 1989	36,491
TOTAL	<u>\$ 147,380</u>

5. Unreserved Fund Balance of The General Fund : (Exhibit B)

The School District follows the practice of applying unreserved fund balance of the general fund of the current year as a reduction of taxes in the following year as required by state statutes. At June 30, 1982 fund balance available to reduce 1982-83 school taxes is \$38,532.

6. Budget Reconciliation:

When the MS 25 report was prepared for the School year ended June 30, 1982.

	<u>MS 25 Report</u>	
Fund Balance (cash basis)		\$ 35,939
Fund Balance - June 30, 1982 (cash basis)		<u>\$ 35,939</u>

Superintendent's Report

In this annual administrators' report to the citizens of the Fremont School District, Assistant Superintendent George Cross speaks about Special Education, and Principal David Johnston speaks about the Ellis School program.

Before turning to these reports, however, I would like to submit a copy of the following letter, which was presented to the S.A.U. #14 Joint Boards (Chester, Fremont, Epping and Newmarket) a few weeks ago.

Mr. Leonard Bonagura, Chairman S.A.U. #14
Sandown Road
Fremont, N.H. 03044

Dear Len:

It is indeed with mixed emotions that I write this letter of resignation today. Yet the time has come for me to step down, and step down I shall. Therefore, effective June 30, 1983 I am resigning as Superintendent of Schools in S.A.U. #14.

In leaving, I want to express my deep appreciation for having had the privilege of serving so many people in this area - easily numbering into the thousands. It's interesting to note that at one time or another, since my arrival some 21 years ago, the following towns have been part of S.A.U. #14: Chester, Epping, Fremont, Newmarket, Brentwood, Danville, Sandown, Kingston and Newton.

I ran across this brief statement recently. It pretty much says it all.

“It was a most difficult job. I worked very hard at it. I’ll be glad when it’s over.”

Thanks again to all who have aided me in the performance of my duties these many years in S.A.U. #14 - names and titles too numerous to mention.

Sincerely yours,
Francis C. Wilson
Superintendent of Schools

To the above letter, I would like to add this one last thought. However small in size and wealth are the districts in S.A.U. #14, when compared with others in the area, I have always deemed it an honor to have held the title of Superintendent of Schools in this Unit. I have tried very hard to carry this title with distinction and I hope that I have been successful in this attempt.

Assistant Superintendent George Cross states:

Since the early 1970’s, many changes have been made in laws affecting the education of handicapped children. Specifically, the Federal Laws entitled, The Education for All Handicapped Children Act and The Rehabilitation Act, Section 504 and RSA 186:C enacted by the New Hampshire Legislature, set the standards for the education of special needs students. S.A.U. #14 has worked diligently to provide the resources which are mandated by these legislative acts.

It is important to note that prior to the 1970’s many of the services now provided by schools for handicapped youngsters were financially supported by other agencies/parties including: welfare, insurance companies, charitable organizations and families. Today, however, the bulk of the financial support is the responsibility of the local school district. The State of New Hampshire does provide limited reimbursement for special education. The combined S.A.U. #14 school districts expended in excess of \$422,000.00 during the 1981-82 school year. This figure does not include guidance, speech therapy or nursing services. Of this amount, the State reimbursed the districts \$128,844.00. The percentage of reimbursement for special education is substantially greater than the financial aid for regular education.

Presently, the combined special education faculty of the S.A.U. are developing a comprehensive manual and plan for services. This will include policies, a specific referral process, evaluation procedures, program descriptions, time-lines and many necessary forms. This document will contain around 100 pages of information and forms which will provide the framework for special education in S.A.U. #14. Obviously, many long hours of work have gone into this endeavor.

A federal grant through PL94-142 is being used to support this organizational work so as not to drain local resources from the primary need-children’s services. All four local school districts will be reviewed by the Special Education Division of the New Hampshire State Department of Education in May 1983. This review will monitor your school’s compliance

with the laws and approve or disapprove your programs for a period of up to three years.

Please be assured that your schools are responding as best they can to the legal, moral and ethical mandates of special education. The local faculties are dedicated to the spirit of this legislation and are daily refining materials, programs, and teaching techniques in order to effectively and efficiently serve these youngsters. All children deserve an equal opportunity to an education! S.A.U. #14 is striving to see that your children receive that opportunity.

Mr. Johnston reports:

The Fremont School District has had a full schedule during the 1982-1983 school year.

In September, we welcomed Adele Ciriacy, Mary Morin, Virginia Allen, Beverly Caldon, Jackie Sakash, and Pam Chamberlin to our staff. The office and special education rooms were re-located and work began on a new outdoor play area.

Major accomplishments have been made in the area of curriculum development. Art, music, and junior high soccer have been added to our programs. We also are nearing completion of the math curriculum, the selection of an English textbook series, a computer unit, and an individualized reading program. In addition, the school guidance counselor is developing a program that will help our older students set career goals.

At the present time, the area of greatest concern is the school library. This area should be the focal point of the school for teachers and students. While we do have adequate space, we do not have nearly enough books and materials to fill this space. Our present book collection numbers 2,500 volumes. The New Hampshire minimum standard is 6,000. It is hoped that we can continue to narrow this gap.

Other projects that are in need of attention include finishing the playground area, defining fire lanes around the building, and improving the building's insulation.

There has been some concern about the disadvantages that are inherent in having a small school such as Ellis. It is true that areas such as staff training and curriculum range are obstacles that have to be overcome. However, it should be noted that small schools have many important advantages. These include greater sensitivity to student's emotional needs, few discipline problems, and a friendlier atmosphere, and the potential for greater continuity in programs, to name a few. Based on comments from parents who have moved in from larger districts as well as the high school track record of Ellis School graduates, it would be safe to conclude the Fremont children receive a better than average educational experience in elementary school.

Respectfully submitted,
Francis C. Wilson, *Superintendent*

School Board Report

Costs are up and incomes are down. The school board could use fancy bureaucratic language and toss out all sorts of mathematical percentages, but it wouldn't change any facts. The budget has gone up. The revenues have decreased.

For example: the item, high school tuition, has a budgeted increase of \$46,124. Conversely: Sweepstakes money for next year is projected to be 0. This current school year Fremont should receive \$4,837 from the Sweepstakes. With this kind of arithmetic the local taxpayer can't help but lose.

If the state and federal governments continue to mandate programs and do not provide funds for those programs, local taxes will continue to increase. Your school board would like to reverse this cycle, but we can't. We can only exercise strict control over budget items which are not set by law.

As in past years, we thank the Fremont PTA for their continued support of various services and programs. We also thank the parents and community members who generously give their time and talents to Ellis School. The interest, involvement, and support of so many may not show on a balance sheet, but it is a priceless asset.
